

LAUNDRY SCALE

Portable Desktop

The portable desktop scale is ideal for laundries where smaller loads of laundry need to be weighed.

The scale features a stainless steel top pan, that has a load area of 260mm x 210mm and a maximum capacity of 30kg.

This load pan is also removable and can be replaced with a larger tray for added practicality. The larger tray weight will be automatically accounted for.

The large backlit display is easy to read and simple to use.

Power is supplied by a mains cable, but a rechargeable battery makes the scale not only portable, but also able to operate when electricity is not readily available.

Features / Benefits

- Stainless steel weigh pan.
- Backlit LED display for easy viewing.
- Mains or battery powered.
- Rechargeable battery.

Specifications	
Weighing Area (mm)	260 (w) x 210 (d)
Dimensions (mm)	290 (w) x 230 (d) x 150 (h)
Net Weight (kg)	3.5
Max. Weight (kg)	30
Readability (g)	1
Weighing Units	kg
Voltage (v)	220/50/1
